

News and Announcements

We are proud to announce that our firm's partners were nominated as "Super CPAs" by their peers, as reported in the *Virginia Business* magazine, who collaborated with the Virginia Society of CPAs and thousands of its members to honor a few of Virginia's top CPAs. This is the tenth consecutive year that Clifton L. Rutherford, and the third consecutive year that Brian P. Davet have been recognized with this honor. Clifton "Kip" has been acknowledged for Business valuations and Brian for Government/Nonprofit.
